World Elder Abuse Awareness Day  
Conference for Professionals  
**Wednesday, June 12th, 2024**

Locust Hill Country Club  
Rochester, New York  
9:00am - 3:00pm

“Instead of focusing on what we can't do,  
let's highlight what we can do!”

**Join us for “Dismantling Myths, Building Bridges: Collaborating to Respond to Elder Abuse”.**

In New York State, there is a solid foundation of resources to support us as we age. Yet at times, our systems can feel under-equipped to adequately meet the needs of our community. This can be especially true in situations of elder abuse and exploitation. This conference aims to gather professionals interested in building strong supports for older adults, so that together we can learn about established community resource services and the criteria to utilize them.

This event is **FREE**, but space is limited.

Lunch will be provided. RSVPs are required. Agenda to follow.
